## COMMITTEE BRIEF

Dear Members Happy New Year!

We trust that everyone had nice break over the Christmas/New Year festive season.

Here we are now in 2020 - a New Year and lots to be done.

Our Special General Meeting was held on the 10th of January where John Boettcher was elected as our new Secretary. John, his wife Michelle and family live in Innisfail and have been wildlife carers for some time.

On behalf of the Management Committee we welcome John!

In other news our Macropod Coordinator Beau Peberdy is currently in Victoria assisting with caring for animals that have been displaced or injured with the recent devastating fires. Beau is still available via phone or text message for any macropod questions and/or issues.
